

I am delighted that there is now a provision for my satellite provider to deliver Significantly-Viewed(SV) stations at some future time. I reside in the Charlotte(NC) DMA and feel like I would be better served by a number of out-of-market stations. The current SV list for my home county of Burke(NC) follows:

WBTB, 3, Charlotte, NC  
WSOC-TV, 9, Charlotte, NC  
+WCNC-TV, 36, Charlotte, NC  
+WJZY, 46, Belmont, NC  
WYFF, 4, Greenville, SC (formerly WFBC)  
WSPA-TV, 7, Greenville, SC  
WLOS, 13, Greenville, SC  
+WHNS, 21, Greenville, SC

Additionally, please consider adding the following stations from adjacent DMAs to the preceding SV list for Burke County(NC). This is based on OTA signals and/or previous carriage on local cable systems:

WCYB-TV, 5, Bristol, VA  
WJHL-TV, 11, Johnson City, TN  
WXII-TV, 12, Winston-Salem, NC  
WGHP-TV, 8, High Point, NC  
WASV-TV, 62, Greenville, SC(licensed to Asheville, NC)

Thank you for your consideration in this matter.
